## VETERINARY SYNDICATION CERTIFICATE

**HORSE: UNNAMED**

**SIRE: STARSPANLEDBANNER**

**DAM: ENCHANTING WATERS**

**DESCRIPTION: Chestnut yearling colt**

**BRANDS: NS: 3X OS: 24/9**

**MICROCHIP NUMBER: 985100012174068**

The above-mentioned horse underwent a veterinary examination to assess the horse's suitability to be a racehorse. No significant abnormalities were identified during the examination. In my opinion based on this examination, the horse is a suitable racing proposition.

Radiographs have been viewed for this horse and are considered low risk for racing. No upper airway endoscope was performed.

**Exam requested by: Damien White**

**Location: Rosebank Farm, Congupna, Victoria**

The clinical examination was performed, and this veterinary syndication certificate was prepared for inclusion in the product disclosure statement (PDS) for prospective purchasers of this horse. I declare that I have no financial or any other interest in the proceeds of sale of this horse.

Please contact GVEH (rob.kent@gvequine.com.au) if you have any queries,

Sincerely,
